

## Painted Prairie Community Events FAQs

- **What can I expect when I arrive at Painted Prairie for an event?**

To fully enjoy the variety of activities being offered and to maintain proper social distancing and safety protocols, please follow signs and staff directions to parking and registration areas within the Painted Prairie Community.
- **I have a ticket for the event. When should I arrive to the event?**

Free tickets are required to visit at specific registration times, in an effort to avoid large lines and gatherings in one location. Please arrive as close to your ticket time as possible, you are welcome to stay as long as you like once you arrive at the event. Our model homes and sales centers will stay open until 6:00 p.m. to accommodate visitors.
- **What happens after I check-in at the event?**

To make the most of your visit, upon check-in at the designated registration area you will receive information regarding our safety protocols as well as how to download the Painted Prairie App in order to best navigate the event. Once registered, you are free to explore the community, enjoy performances by local musicians, and tour 13 model homes by Colorado's finest homebuilders.
- **Is transportation available between each area of Painted Prairie during the event?**

During the event, you are welcome to walk from venue to venue or catch a ride in one of our community transportation vehicles. Our Painted Prairie Ambassadors are available to answer questions about the community and assist visitors with moving throughout the event. As you enjoy our event, we ask that you continue to follow proper social distance guidelines throughout your visit.
- **What precautions will be in place to ensure my safety at Painted Prairie's events?**

At Painted Prairie we take your health and safety seriously. We have worked hard to maximize the use of the wide-open spaces of Painted Prairie to design a socially distant experience. Reservation and ticketing systems were implemented to assure arrival of guests throughout the day to avoid long lines and large groups. Each activity enables us to share the amazing parks, homes and features of one of Denver's newest and most exciting master-planned communities.

This includes clearly marked distancing guides - spaced over six feet from one another – at the event’s entertainment and education opportunities, food vendor locations, and model home entries. Activities are strategically placed throughout the development’s 22-Acre High Prairie Park and the many pocket parks and open spaces within the Painted Prairie community.

▪ **Will Painted Prairie’s playgrounds be open and available?**

At Painted Prairie, we are proud of our parks. During our community events, our playgrounds, play spaces, and parks will be open and available for play. Many of our play surfaces are made of natural materials such as concrete, wood and stone. Please understand that we are unable to disinfect each surface after use. By using the play structures and using the parks, you are playing at your own risk. All children must wear masks and use hand sanitizer before and after using the playgrounds at Painted Prairie. We appreciate your understanding.

▪ **Do I need to wear a face covering as I tour the area?**

Due to Colorado’s COVID-19 guidelines, the use of a facial covering is required when entering public spaces. We ask that you continue to honor the guidelines and wear a mask to protect the safety of our employees, their families and others visiting the Painted Prairie neighborhood.

▪ **What other steps will be taken to ensure proper hygiene at the event?**

Painted Prairie will provide ample handwashing and hand sanitation opportunities throughout the community, in addition to face coverings.

▪ **How are you handling food and drinks at the event?**

Our food and drink vendors will provide low to no-contact food options and individually sealed beverages for your enjoyment. Additional beverage stations will be spaced out throughout the development.

▪ **How many people are expected to attend the event?**

Painted Prairie has taken steps to control attendees at each of our community events. We have restricted tickets targeting 200 people arriving within any given hour and spreading out through localized activities across more than 22 acres.
